GOOD HEMP contains hemp oil w/10mg of CBD combined with 6 grams of prebiotic fiber. Our waters taste great with just a hint of all natural flavor, they contain ZERO sugar & only 10 calories. 10mg CBD delivers the amazing health benefits of hemp and 6g of fiber provides 21% of the FDA daily fiber intake – All in a natural and lightly flavored water.
Hemp is the world's greatest superfood and delivers a long list of benefits. Good Hemp infuses CBD from hemp oil and prebiotic fiber into a line of lightly flavored 10 calorie waters.
Our flavored waters break up the monotony of plain water, they deliver the incredibly valuable function of CBD and the necessity of fiber. Hemp demand is growing faster than at any other time in history and we're leading the charge!
