310 Langdon Street, Suite 3
Somerset, KY 42503
USA

Phone: (859) 368-8820

2nd Chance Clinic began in 2012 when three doctors recognized a need in their Lexington community and opened a small office to help patients and their loved ones with opiate addiction. Today, our team has grown and we have expanded into Somerset to better serve our clients with a variety of treatment options. Website: <https://www.2ndchanceclinics.com>
