T&M Grab Hire Services Ltd is a trusted, family-run business based in Ilkeston, Derbyshire, offering over 14 years of experience in groundworks, waste removal, and materials supply. Serving both domestic and commercial clients across the East Midlands—including Nottinghamshire, Derbyshire, Leicestershire, Mansfield, Chesterfield, and surrounding areas—T&M delivers reliable and competitively priced services tailored to every project size. Core services include grab hire and muck-away, aggregate and topsoil supply, landscaping, driveway installation, and digger and tool hire. They also specialise in commercial groundworks and surfacing, offering expert excavation, drainage, and site clearance for larger developments.

With a fleet of 32-tonne grab lorries, fully insured operators, and flexible hire options, T&M Grab Hire Services Ltd ensures fast, efficient, and compliant service on every job. Whether you need screened topsoil, MOT stone, fibre-optic trenching, or a full garden transformation, their experienced team is ready to help. Contact T&M today for a free, no-obligation quote. Open seven days a week (excluding bank holidays), they're your one-stop solution for groundwork and waste services in the East Midlands. Website:
